

BIT02-2NP

DECLARATION
AND
POWER OF ATTORNEY

I, Sampo J. Kaasila, a citizen of the United States of America residing at and having a postal address at 6 Squirrel Run Road, Plaistow, NH 03865, hereby declare the following:

-That I verily believe that I am the original, first and only inventor of the subject matter which is claimed and for which a patent is sought in the U.S. Patent Application Serial Number 10/727,359 entitled "Methods, Systems, and Programming for Scaled Display of Web Pages", which was filed on December 3, 2003;

-That I have reviewed and understand the contents of that application, including its claims;

-That I do not know and do not believe that the same was ever known or used in the United States of America before my invention thereof or patented or described in any printed publication in any country before my invention thereof, or more than one year prior to this application, or in public use or on sale in the United States of America more than one year prior to this application;

-That the invention has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve months prior to this application;

-That I acknowledge my duty to disclose all information of which I am aware which is material to the patentability of this application, as provided in 37 C.F.R. 1.56; and

-That no application for patent or inventor's certificate on this invention has been filed by me or my legal representatives or assigns in any country foreign to the United States of America, except that a corresponding PCT application was filed with the USPTO as receiving office on the filing date of this U.S. Application.

I hereby further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

In addition, I, hereby appoint Edward W. Porter, Registration Number 28,892, with full powers of association, substitution and revocation, to prosecute this application and transact all business in the Patent and Trademark Office connected therewith and to prosecute foreign and/or international applications relating to any invention in the disclosure of this application before the appropriate foreign or international authorities, including PCT application PCT/US03/38344 which was filed on the same day and which has the same title as the above mentioned U.S. Patent Application. Mr. Porter's USPTO Customer number is 000042306. Unless the address and phone number associated with Mr. Porter's USPTO customer number are subsequently changed, please send correspondence concerning this application to Edward W. Porter, Porter & Associates, One Broadway, Suite 600, Cambridge, Mass. 02142 and please direct telephone calls to Edward W. Porter at (617) 494-1722..

IN WITNESS WHEREOF, I hereby sign my signature below on the date indicated next to my signature as the sole inventor of the above identified patent application.
